By Appointment

Chesier Cathedral dates from the year 1098 when it was built under the auspices of Hugh Lupus, Earl of Chester and his wife. Rebuilding operations were begun in 1194 and constant alterations and additions made until 1587. Restorations have also been conducted during the 19th century. The see of Chester was created by Henry VII in 1541

Lat-afternoon

Dear Aunt - thank you
for the lovely holiday -
I didn't get them till today
or there were addressed
down to the cemetery. Oh
hope you are feeling better
there is a lot of people ill with
that complaint how nice they were
Wishing you a happy Easter
Love
Nephew Ted
